WELCOME to NEW EYES

We are glad you have chosen New Eyes for your quality eye care and look forward to meeting you. Please fill out the enclosed paperwork and bring it with you on the day of your appointment. Please make sure to arrive 15 to 20 minutes before your scheduled appointment time. This will allow us to make your visit to our office smooth and timely.

Please note:

- Co-pays and deductibles are due at the time of your appointment.
- Most patients will have eyes dilated on first visit, please arrange for transportation if needed or call for more information.
- Minor children must be accompanied by legal guardian.
- If insured through HMO, please make sure you have the appropriate referral or authorization to be seen in our office or call us for further information.
- If you have been referred for a cataract evaluation, you will **NOT** be having surgery on your first visit to our office. Surgery will be scheduled on a different date at an Ambulatory Surgery Center. An initial evaluation in our office is required prior to surgery.
- Some eyelid and other eye surgeries are also done at an Ambulatory Surgery Center. Call us if you have any questions regarding which procedures are done in our office on the first visit.

Please arrive 15 to 20 minutes before your appointment.
